COMMUNICATION

Dear Parent/Carer

This year the 5/6 Team have developed a Team Blog to keep you up to date with what’s going on in our area of the school. The blog summarises the learning which has occurred each week while informing you of the teaching for the following week.

A summary in English, Mathematics, our Inquiry Unit as well as other areas are covered.

Across the top of the blog are links to areas such as Homework, incursions/excursions, planners, Class Blogs etc. These will be developed over the coming weeks and months.

We would like you to access the link below as soon as you are able and add a comment to this week’s entry.

The Team Blog is one of the areas we will be discussing at our 5/6 Information Night at 7.00 p.m. on the 20th February in the Performance Space.

We look forward to seeing you all then.

Thanks

Vicki, Ryan, Chris, Courtney, Kylie and Randal
