Dear Parents/Guardians,

Your child’s library session is on **Thursdays**.

During this session your child will be able to browse through the library and borrow book/s of their choice. Please encourage your child to take responsibility for their book/s and to change them on a regular basis. Children can either return their book/s via their classroom library box or come directly to the library and place them in the return box.

Books are very expensive therefore we are encouraging children to have a book bag to protect their library book/s. Children can either bring their own or purchase a MPW library book bag for $6.00 from the library or office.

You are welcome to visit us at any time in the library.

Thank-you
Michele & Claudia
