Friday 2<sup>nd</sup> February 2018

Dear Parents/Carers

As part of the ongoing Moonee Ponds West partnership with parents, we will be holding an information session for parents of students who have additional needs.

This information session is an opportunity to outline the steps and processes the school takes in identifying and supporting children with additional needs as well as the types of support the school can offer. It will also give parents/carers the opportunity to provide feedback and ask questions.

The information session is planned for **Friday 9th February at 9.30am** in the Library.

Could you please indicate below if you would like to attend this session and return the slip to the Office by **Wednesday 7th February**.

Yours Sincerely,

Barbara Springfield

Acting Assistant Principal/Student Welfare Coordinator

I would like to attend the Students with Additional Needs Information Session.
