Our vision at MPW is to foster a community of life-long learners. We strive to develop socially responsible and resilient individuals who are working towards achieving their full potential.

18th July 2017

Dear Parent/carer

The Team 2 have organised an excursion to be held at Melbourne Planetarium on Tuesday, **22nd August 2017.**

We will be departing MPW at 9:00am returning at 3:00pm. We will be travelling by hired coach. The address and Melway reference for this excursion are Scienceworks, 2 Booker St Spotswood Vic, 3015 and Melway reference Map 42, B12.

This experience links to the Science curriculum planner, with a particular focus on observable changes occur in the sky and landscape and how daily and seasonal changes affect everyday life.

There is no cost for this excursion as the guide fees and public transport costs are covered by the student excursion levy paid at the beginning of the school year.

Food: All students are required to bring a packed snack, lunch and drink in disposable containers and bags, with their name clearly marked on each. It is a good idea to pack snacks and lunches separately.

Clothing: The excursion will be inside the venue so sensible comfortable clothing will be appropriate.

We require parent/carers to support your child's class. If you are able to attend, please contact your class teacher by the 15th August 2017. Parent helpers do not pay their own entry fees. Additional parents are welcome but do so at their own cost.

Please return the attached 'Permission Notification Report' by **Tuesday 15th August 2017** to your classroom teacher.

If you would like to know more about this event the following link may be useful
