## **GRADE 5/6 INFORMATION EVENING**

Dear Parents/Carers,

As you will be aware from our school newsletter, we will be holding an information night for the families of children in Grade 5/6 on **Monday 12<sup>th</sup> February.**

Between **6:00- 7.00 p.m.**, we are planning to hold an information session relating to the teaching and learning in Grade 5/6, including special events which occur during the year. We will meet in the Performance Space before heading into your child's classroom for further discussion.

It is important to note that the aim of this session is to share general information, rather than for teachers to discuss information relating to individual children. The following week (beginning February 19<sup>th</sup>) we will be inviting parents to make a time with teachers to help us get to know your child better – further information about this will be sent home soon.

This will be followed by a **Transition to Secondary School Information Session beginning at 7.00pm.**

**This is an important session for families with children in Grade 6, particularly those with their first child moving to secondary school next year, as Michelle will outline key information about the process of secondary school applications.**

Unfortunately there will not be any child minding facilities on the evening.

We hope to see you then,

Maddie, Lisa, Kim, Fiona, Gini, Helen and Michael.
