Grade 6 Graduation Bears & Balls

3rd October 2016

Dear Parents/Guardians,

As part of the Transition & Graduation process the school organises the purchase of graduation bears and balls for the Grade 6 student’s. This is a great opportunity for the students to have a memento from primary school with their friends and peer’s signatures on it.

The bear and football are of a high quality and come with fabric pens for signatures. The students have been shown the products and there is a graduation bear, football (Soccer) or (Australian Rules). **The cost of the bear is $15 and the football/s $14.** There is no obligation to purchase these products.

If you would like to make a purchase this needs to be done **no later than the 28th of October, 2016** so that orders can be placed and received in time for the students to collect signatures before graduation. **Payment must be included with your order.**

Attached to this note is a payment envelope. Could you please ensure your details have been added. You should include your child’s name, room number and the total cost of the product/s you are purchasing.

Please return these to your child’s teacher or the office. Could you also complete the attached slip and return it with your envelope.

Thanking you in anticipation, Vicki McCormack (Year 6/7 transition).
