Inquiry Presentations

As part of our term two Inquiry Unit, History students completed a personal passion project where they had the opportunity to focus on a particular interest within our topic of History. Students went through a process of identifying their topic, developing their questions, researching and investigating their topic and then publishing their information.

The students have now completed their passion projects and are ready to present them to the class on the following dates:

Thursday 17th July (2.30-3.30pm) and Thursday 24th July (2.30-3.30pm).

We will be having an open classroom at these times, so if you are available please come and enjoy watching the students present their passion projects.

Thank you,

Emma Campbell
