Rights & Responsibility

Our vision at MPW is to foster a community of life-long learners. We strive to develop socially responsible and resilient individuals who are working towards achieving their full potential.

Monday 8th of May 2017

Dear Parents and Carers,

Over the duration of term 1, our class developed classroom rights and responsibilities. We used rich literature and scenarios to reflect on how the students, as individuals, expect to be treated by their classmates and teachers. We also engaged in deep discussions about what we value as a class to help develop our classroom rights.

We then discussed that in order to have these rights, we must be responsible members of the class. Our class motto is "*In room 9, we are honest learners*". This refers to every student attempting all learning activities, being responsible for their own learning and reflecting on their learning.

This document is displayed in our classroom and it is regularly referred to. All members of our class have signed their name to it, promising to uphold them in order to maintain a safe and supportive learning environment.

Attached is a copy for your family to talk about and refer to when necessary, as well as the 2/3 term 2 inquiry unit overview for your perusal.

Thank you for your ongoing support,

Louise McNab
