Dear Families and Carers,

Welcome to term three.

Our Inquiry topic is term is 'Animals'. Our focus will be on threatened, endangered and extinct animals. If you, or someone you may know, have any knowledge in this particular area, we welcome your practical support.

Every student receives a list of up to six words to practise for the week.

These are in a yellow A4 booklet. Booklets need to come to school every Monday and Friday.

Every student will be allocated words according to their own spelling needs.

The words will stem from a particular spelling pattern and need to be practised for a few minutes each afternoon or evening.

On Fridays, the students will have 'Word Study Buddy' time where they will test each other on their individual words.

New words are given each Monday.

Please see the attached copies regarding 'How to' support spelling practise at home.

Warm regards,

Melanie.
