Dear Parents/ caregivers,

Next term Prep/1 students are studying Celebrations as part of the Inquiry Unit. We would appreciate if you could help your child/children to complete the following questions:

My name:

Where I live:

Where I was born:

People in my family:

Where my mother was born:

Where my father was born:

Things my family does together:

Language spoken at home:

Important celebrations:

Also it would be helpful to start collecting photos of your child/children which reflect different aspects of their lives e.g. family celebrations, riding their bike, holiday snaps etc.

Thank you

Amy, Michelle, Carley, Toula and Karen
