31st January 2018,

Dear Parents/Carers,

The Department of Education and Training have implemented an SMS communication system through CASES21 (DET) which will enable the school to send out SMS communication to parents and carers for example – emergency situations/non- attendance at school. To allow this function to be utilised parents/carers are to authorise their inclusion in the SMS system and provide us with up to date mobile and email addresses.

If you are happy to participate in the system could you please complete the form below and return to the Office as soon as possible.

If you have any questions regarding these matters, please contact Sandra Monaghan in the Office.

Yours sincerely,

Jeff Lyon
Principal

Please complete the form below and return to the Office by the Monday 5th of February 2018.
