Specialist Semester 1 – Getting to Know You Interviews 2016

1 February 2016

Dear Parents/Guardians/Carers,

Getting to Know You interviews commence on 8 February 2016. These interviews provide parents with an opportunity to discuss with their new teacher their child’s personal and academic strengths and interests and generally get to know each other. Tuesday 9 February has been scheduled as the late night. This provides the opportunity for all parents/carers to attend their child’s interview.

If you have anything in particular you would like to discuss with a specialist teacher and require an interview please fill in the form below and return to the school office by Wednesday 3 February.

As you will appreciate, there has to be a time limit for interviews. An allocation of 10 minutes will be made for each interview but further time can be arranged if requested.

You will be notified of your time by Friday 5 February.

Please indicate if you require an interpreter for your interview.

Tick the specialist you wish to see, state your preferred day, date and time.

Expect a reply slip from the relevant specialist in your child’s bag.

Thank you.

Bree, Diana, Cindy, Sue, Rachael and Mandy
