Dear Parents/Guardians of students in Room 15;

RE: Maths Intervention Program

This letter is to advise that Vicki McCormack, in her role as leader of Mathematics at MPW, is undertaking a Mathematics intervention program for students in Grades 2 and 3. This will see Vicki’s class being covered by Jane Ryan on a Wednesday from 11.30-1.30 in order for Vicki to work with selected students. At this stage the program will operate till the end of Term 1.

If you have any questions about this arrangement please don’t hesitate to speak with Vicki or myself.

Yours Sincerely,

Randal Symons

Assistant Principal
