Tuesday, May 3rd 2016

Dear Room 20, 21 and 22 families,

As part of our Inquiry Unit, ‘Animal Investigators,’ we are planning an **excursion to Werribee Open Range Zoo, on Monday, May 30th**. We will leave school at 9.00am and return by the end of the school day.

During the day, we will participate in an educational session and experience an African adventure safari, being immersed in the sights, smells and sounds of the savannah. These experiences will help us to build our understandings and provide a focus for future learning in our Inquiry Unit.

Your child will need to wear clothing suitable for outdoor activities, including sensible shoes. **Your child will need a separately packed snack, lunch and water bottle on the day. (Clearly labelled.)** Please check the weather to assess their need for a warm jacket or raincoat.

We will require a number of parents from each room to accompany us (though unfortunately we are unable to accommodate toddlers and younger children, as parents will need to assist us with supervision of classes). Please talk to your class teacher if you would like to help out.

We are looking forward to a great day!

**This Thursday morning** we have our **Wild Action Australian Animal incursion** taking place at school. It will be very exciting!

**From Amy, Louise and Jenny**
