We Are The Earth Keepers Excursion -

Werribee Open Range Zoo, Tuesday 29th July.

Dear Parents/Guardians,

As part of our inquiry unit- ‘We Are The Earth Keepers’, Rooms 7,8,10,11 and 12 will be attending the Werribee Open Range Zoo on Tuesday 29th July.

At the zoo, the children will explore ‘Habitat’s Under Threat’ with the zoo-keepers.

‘This program encourages students to consider the habitat of selected species, the threats they face and some simple actions they could take to use resources more sustainably and reduce their impact on animals and their habitats.’

Students should on the day bring their recess snack and lunch in a small backpack (not a school bag) and please no lunchboxes. As we will be outside, students will need warm clothing, suitable shoes and a raincoat. Students will carry their own backpack so please do not over fill these!

Students will not be permitted to enter the zoo shop or buy food on the day.

Permission notes need to be signed and returned ASAP. The cost of the excursion will be covered from the excursion levy you paid earlier in the year.

We need parents to assist us on the day however the numbers we can take are limited. Please let your classroom teacher know if you would like to join us.

We are sure that this will be a rich learning experience for your children and that they will bring lots of new information home to discuss with you. It is an important part of your child’s learning and we thank you for your ongoing support of our program.

Please feel free to ask your classroom teacher if you have any queries,

Thank you

Kim, Jess, Adele, Michael, Mandy and Claudia.
